TWO RIVERS SAFARI

Get up close and personal with the wildlife along Zambia's mighty rivers.

Time + Tide is connected through the rivers of Zambia, journey with us to all three of our regions, from the Liuwa Plain, the South Luangwa and the Lower Zambezi. An unspoiled wilderness, the South Luangwa National Park is known as the Valley of the Leopard and the home to the walking safari. With endemic giraffe and wildebeest, and endangered wild dogs, the game viewing here is second to none. The landscape of the Lower Zambezi National Park is entirely different, its lush channels and ancient forests are a haven for elephants, predators and birdlife. It offers the greatest variety of activities in Zambia, from game drives to canoeing, boat cruises, walking safaris and tiger fishing. The Liuwa Plain, on the west of Zambia, with it's large wildebeest movement, exceptional birdlife as well as predator action is one of Zambia's best kept secrets.
