TIME + TIDE KING LEWANIKA

HIGHLIGHTS

- + *Zambia's most exclusive camp*
- + *Only permanent camp in the national park*
- + *Incredible photographic opportunities*

First protected in the 1880s by King Lewanika of the Lozi people, Liuwa Plain is one of the earliest game reserves in Africa. The plains are unspoilt and exclusive with rare game and a rich natural history. A natural extension of the vast landscape, the Time + Tide King Lewanika luxury safari tents have an effortless flow between the in and out. The golden hue of the plains is reflected throughout the design, contrasting against masculine accents of vintage leather and burnished metal. Lounge on your private verandah, taking in the panoramic views and watch birds wade in the lily dotted lagoon. Gather around the evening campfire, swapping tales under the stars. Hear the calls of whooping hyenas as you drift off to sleep. Stop, slow down and fully immerse yourself into this wild land.
