EXPLORING MADAGASCAR

*A remarkable land at the ends of
the Earth*

WILD, OPEN SPACES

Miavana is located on the largest island in a secluded archipelago off the northeastern coast of Madagascar. An earthly paradise, Miavana is the perfect jumping off point for exploring mainland Madagascar. This is a land still wholly wild, where you can experience nature in an authentic and immersive way.

A world of lemurs and chameleons, Madagascar is truly unlike any other place on Earth. Fascinating creatures live amid the extraordinary landscapes, including many highly endemic species. Sprawling reefs and diverse terrain create an underwater haven for impressive marine life. No matter how you choose to explore, our expert activities team will tailor activities to suit your needs and interests.

GREAT ALL YEAR

- + Helicopter excursions to nearby national parks
- + Lemur trekking and guided nature walks
- + Wildlife experiences - every season offers something new and exciting
- + Snorkelling on our house reef

Sea turtles begin nesting on Miavana in December, with hatching season continuing through April.

Snorkelling and diving are best from November to April.

Seek out native wildlife on guided nature walks all the year on Miavana.

Thousands of terns land on Nosy Manamphao for the nesting season.

The humpback whale migration runs July to October.

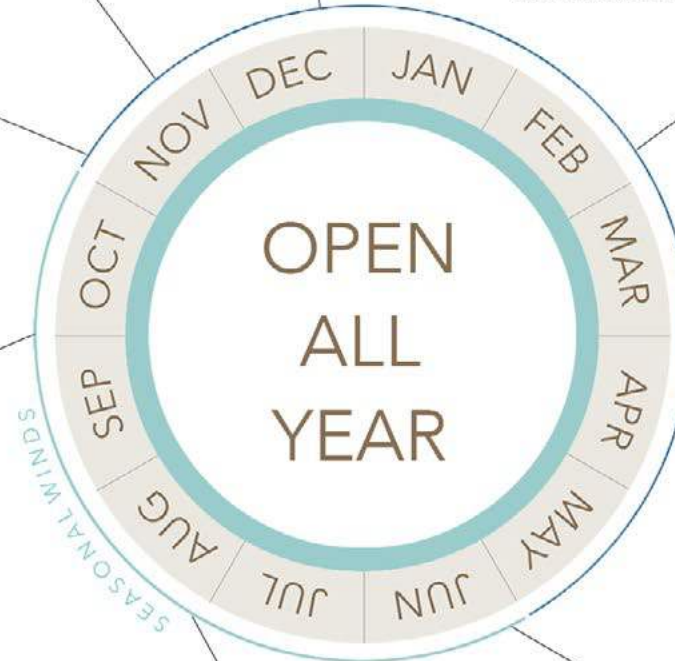

May to October is the best time for kitesurfing.

The boat fishing season runs from October to April, offering trolling, popping, jigging, bottom and deep sea excursions.

Helicopter excursions to nearby national parks are excellent all year.

ACTIVITIES

An adventure playground for the entire family

On arrival at Miavana, you will have a consultation with our expert activities team to create a customised plan based on your wants, interests and needs. Miavana has two distinct seasons. From November to mid-May, the days are warm, with light rains mainly overnight, making it best for diving, fishing, snorkelling and sea turtles. Mid-May to October has cooler days with seasonal winds, making it perfect for intrepid guests who want to see whales, terns, or go kiteboarding.

THE PIAZZA

DINE

Perfectly designed for both privacy and unity, the Piazza offers an array of spaces to suit your every need. Whether craving beachfront elegance, romantic ambiance or sand between your toes, the Piazza delivers with both indoor and outdoor options.

RELAX

With views overlooking the beach and mountains beyond, the Piazza is the perfect place to unwind. Enjoy a drink on our rooftop lounge atop Toulou's Bar, relax next to our shimmering infinity pool or stargaze around the beachfront firepit.

WONDER

Our Cabinet des Curiosities holds natural wonders and cultural artefacts from around Madagascar. Be sure to stop in and see the butterfly collection, elephant bird egg, dinosaur fossils, traditional costumes and even a message in a bottle found adrift in the waters around Miavana.

ISLAND DINING

*Indulge your senses, delight
your palette*

LOCAL + SEASONAL

Madagascar is a land of exotic rarity and Miavana invites you to taste its treasures, offering a discovery in every bite. From luscious limes and juicy mangoes, to punchy pink peppercorns and aromatic vanilla pods. From freshly-caught fish, local crabs and giant lobsters to locally-made 'Rova' caviar and buffalo mozzarella. Explore the flavours of this exotic location.

Every day the island's incredible culinary team creates exquisite meals that bring together the finest local ingredients with world class skill. Created to savour the seasons and delight the palette, every meal is a celebration of Madagascar's finest. If you are interested in wine, you can sample our hand-picked selection in our wine cellar, La Cave.

WELLNESS

Let us show you what it means to feel fully alive

SPA, YOGA + GYM

At Miavana, the entire island is your spa. Choose your luxury, whether it's a Miavana Seashell Massage on the beach to the sounds of the sea or an Afrique-in-Harmony Coconut Massage among birdsong in the forest, or whether it's Sunrise Yoga on the Helipad, or a private class on the deck of your villa overlooking the ocean - the options are endless.

Designed to stimulate body, mind and soul, Miavana's wellness menu covers a range of luxurious massages, facials, body treatments and finishing touches, as well as Aryurvedic treatments and yoga classes. Treatments are enhanced by organic products from Terres d'Afrique that harness the power of rare African botanicals, as well as hand-harvested products from the island.

Take time to immerse yourself in Miavana's untouched environment, allowing yourself to reconnect with nature and yourself. Privacy, seclusion and wide, open spaces invite you on a journey toward total relaxation.

GIVING BACK

CONSERVATION + COMMUNITY

Miavana is committed to safeguarding its unique natural environment and neighbouring communities for many generations to come. With the support of the Time + Tide Foundation, endangered sea turtles, seasonal tern populations and a family group of translocated Crowned Lemurs are monitored and protected on the island. Through targeted education and health interventions, the Time + Tide Foundation provides inclusive learning environments for traditionally disadvantaged children and provides medical services to Miavana's local community and several communities on the mainland.
